PROXY STATEMENT
FOR
2015 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 27, 2015

This Proxy Statement is furnished by the Board of Directors of Cambium Learning Group, Inc., a Delaware corporation, in connection with the Company's solicitation of proxies for use at our 2015 Annual Meeting of Stockholders to be held on Wednesday, May 27, 2015, beginning at 8:00 a.m., Central Time, at our offices located at 17855 Dallas Parkway, Suite 400, Dallas, Texas 75287, and at any postponements or adjournments thereof. This Proxy Statement contains important information regarding the Annual Meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

As used in this Proxy Statement: the terms "we," "our," "us" and the "Company" each refer to Cambium Learning Group, Inc.; the term "Board" means our Board of Directors; the term "proxy materials" means this Proxy Statement, the proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2014, as filed with the U.S. Securities and Exchange Commission (the "SEC") on March 17, 2015; and the term "Annual Meeting" means our 2015 Annual Meeting of Stockholders.

We are sending the Notice of Internet Availability of Proxy Materials (the "Notice") and the proxy materials on or about April 14, 2015, to all stockholders of record at the close of business on March 30, 2015, the date fixed by the Board as the record date for the Annual Meeting (the "Record Date").

Who is entitled to attend the meeting?

You are entitled to attend the meeting only if you owned our common stock (or were a joint holder) as of March 30, 2015 or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admittance to the Annual Meeting.

Please also note that if you are not a stockholder of record but hold shares in "street name" (that is, through a broker, bank, trustee or other nominee), you will need to provide proof of beneficial ownership as of March 30, 2015, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, bank, trustee or other nominee, or other similar evidence of ownership.

Who is entitled to vote at the meeting?

Only stockholders who owned our common stock at the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting, and at any postponements or adjournments thereof. As of the close of business on the Record Date, there were 45,487,385 shares of our common stock outstanding and entitled to vote. Each share of common stock is entitled to one vote per share at the Annual Meeting.

What is a proxy?

A proxy is your legal designation of another person to vote the stock you own on your behalf. That other person is referred to as a "proxy." Our board of directors has designated Scott McWhorter and Barbara Benson as proxies for the annual meeting. By completing and returning the enclosed proxy card, you are giving Mr. McWhorter and Ms. Benson the authority to vote your shares in the manner you indicate on your proxy card.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of our common stock representing at least 22,743,693 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

How can I vote my shares without attending the meeting?

No matter how you hold shares of our common stock, you may direct how your shares are voted without attending the Annual Meeting. There are three ways to vote by proxy without attending the meeting.

By Internet — Stockholders who received a Notice may submit proxies over the Internet by following the instructions on the Notice. Stockholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.

By Telephone — Stockholders of record may submit proxies by telephone by following the instructions on the Notice or the proxy card. You will need to have the three digit company number and the eleven digit control number that appears on your Notice or proxy card available when voting by telephone.

By Mail — Stockholders who requested and have received a paper copy of a proxy card or a voting instruction card by mail may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed envelope.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank, trustee or other nominee that holds your shares, giving you the right to vote the shares. Even if you plan to attend the meeting, we recommend that you also submit your proxy card or voting instruction card as described above so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.

Can I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked, unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or other nominee or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

What vote is required to approve each item and how are abstentions treated?

Assuming the existence of a quorum at the Annual Meeting, the vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors (Proposal 1). The election to the Board of nine nominees will require the vote of the holders of a plurality of the shares represented in person or by proxy at a meeting at which a quorum is present. Abstentions and broker non-votes will not affect the election outcome.

Ratification of Whitley Penn LLP as our Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2015 (Proposal 2). The vote of the holders of a majority of the shares entitled to vote and represented in person or by proxy at a meeting at which a quorum is present is required to ratify the selection of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year 2015 by the Audit Committee of our Board of Directors. Abstentions will have the same effect as an “AGAINST” vote for this proposal. Broker non-votes will not have any effect on the vote for this proposal.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you are a stockholder of record and you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (“FOR” the election of all of the Company’s nominees to the Board and, “FOR” the ratification of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015, and in the discretion of the proxy holders on any other matters that may properly come before the Annual Meeting and at any postponements or adjournments of the meeting). If you are a street name holder or hold your shares with a broker and do not instruct your broker how to vote, your broker will vote your shares in its discretion on the proposal to ratify Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Your broker does not have discretion to vote your uninstructed shares on the other proposal.

What happens if additional matters are presented at the meeting?

Other than the two proposals described in this Proxy Statement, we are not aware of any business to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holder, Barbara Benson, our Chief Financial Officer, and Scott McWhorter, our Counsel, will have the discretion to vote your shares on any additional matters that may be properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees for Director is not available as a candidate for director, the persons named as proxy holder will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Who is soliciting my vote and who will bear the costs of this solicitation?

Your vote is being solicited by the Company at the direction of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of the proxy materials. In addition to providing these proxy materials, our directors and employees may also solicit proxies in person, by

telephone, by electronic mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We may also engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, banks, nominees and other institutional owners. The costs for such services, if retained, will not be material.

What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for our 2016 meeting of stockholders, expected to be held on or about May 26, 2016, the written proposal must be received by us no later than December 15, 2015. Director nominations and proposals for matters to be considered at our 2016 Annual Meeting of Stockholders must be delivered to our Secretary at our principal executive offices at the address set forth on the cover of this Proxy Statement so that notice will be received by us no earlier than close of business on January 27, 2016, and no later than the close of business on February 26, 2016. Proposals and nominations should be directed to our Secretary at our principal executive offices at the address set forth on the cover of this Proxy Statement. Any such proposal must comply with the proxy rules promulgated by the SEC in order to be included in our proxy statement and form of proxy related to the meeting. If notice of any stockholder proposal is received by us after February 26, 2016, and therefore is not eligible for inclusion in our proxy statement and form of proxy, then proxy holders will be allowed to use their discretionary voting authority on any such stockholder proposal if and when the matter is raised at such meeting. In no event will the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws.

Nomination of Director Candidates: Stockholders may propose director candidates for consideration by our Board. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address of our principal executive offices set forth on the cover of this Proxy Statement. In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. In order to nominate a director, the stockholder must provide the information required by our bylaws, as well as a statement by the nominee consenting to being named as a nominee and to serve as a director if elected. In addition, the stockholder must give timely notice to our Secretary as described in "Stockholder Proposals" above.

Copy of Bylaw Provisions: For more information regarding stockholder proposal deadlines, please see Section 2.10 of our

Bylaws. You may contact our Secretary at our principal executive offices as set forth on the cover of this Proxy Statement for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

SECURITIES OWNERSHIP

Security Ownership of Certain Beneficial Owners and Management

The following table provides information relating to the beneficial ownership of our common stock as of the close of the Record Date (which is March 30, 2015), by:

- each stockholder known by us to own beneficially more than 5% of our outstanding common stock;
- each of our executive officers named in the “Summary Compensation Table” on page 18 of this Proxy Statement (these executive officers are sometimes referred to herein as the “*Named Executive Officers*”);
- each of our directors; and
- all of our directors and executive officers as a group.

The number and percentage of shares beneficially owned by each entity, person, director or executive officer is determined in accordance with the rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of March 30, 2015 (the Record Date) through the exercise of stock options, warrants or other convertible securities or any other right. Shares of our common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person or group (except with respect to the percentage ownership of all directors and executive officers as a group).

The information in the following table regarding the beneficial owners of more than 5% of our common stock is based upon information supplied by our principal stockholders or set forth in Schedules 13D and 13G filed with the SEC. The determination that there were no other persons, entities or groups known to the Company to beneficially own more than 5% of the Company’s outstanding common stock was based on a review of all statements and reports filed with the SEC with respect to the Company pursuant to Section 13(d) or 13(g) of the Exchange Act since the beginning of the prior fiscal year.

To our knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, we believe all persons named in the table has sole voting and disposition power with respect to all shares of common stock beneficially owned by them. The business address for those persons for which an address is not otherwise provided is c/o Cambium Learning Group, Inc., 17855 Dallas Parkway, Suite 400, Dallas, Texas 75287.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and the beneficial owners of more than 10% of our common stock to file reports of ownership and changes in ownership with the SEC. Such reporting persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based on our review of the copies of such reports furnished to us, or representations from certain reporting persons that no other reports were required, we believe that all applicable filing requirements were complied with during our fiscal year ending December 31, 2014.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Structure

Our third amended and restated certificate of incorporation allows for the Board to set the number of directors between one and eleven, each to be elected annually for a term of one year. As of the date of this Proxy Statement, the Company's directors were David F. Bainbridge, Walter G. Bumphus, John Campbell, Clifford K. Chiu, Thomas Kalinske, Harold O. Levy, Jeffrey T. Stevenson, and Joe Walsh. Each of these directors terms will expire at our 2015 Annual Meeting of Stockholders and each of these directors has been nominated for re-election to the Board.

Director Independence

Our Board has determined that each of Walter G. Bumphus, Clifford K. Chiu, Thomas Kalinske, and Harold O. Levy satisfy the current "independent director" standards established by rules of The NASDAQ Stock Market LLC ("NASDAQ") and, as to the members of the Audit Committee of our Board, the additional independence requirements under applicable rules and regulations of the SEC. Since the Company is a "controlled company" (as defined in NASDAQ Rule 5615(c)(2)), it is not required to have a majority of the Board comprised of independent directors. See "Controlled Company Status" below for additional information.

Board Leadership Structure

Joe Walsh serves as the Executive Chairman of our Board and John Campbell serves as our Chief Executive Officer. We believe the separation of offices is beneficial because a separate Chairman (i) is able to provide the Chief Executive Officer with guidance and feedback on his performance, (ii) provides a more effective channel for the Board to express its views on management, and (iii) allows the Chairman to focus on stockholder interests and corporate governance while the Chief Executive Officer leads the Company's strategy, development and implementation. As Mr. Walsh has significant experience with companies engaged in the media and information industries, he is particularly well suited to serve as Chairman.

Risk Oversight

The Board has the ultimate oversight responsibility for the risk management process and regularly reviews issues that present particular risk to us, including those involving competition, customer demands, economic conditions, planning, strategy, finance, sales and marketing, products, information technology, facilities and operations, supply chain, legal and environmental matters and insurance. The Board further relies on the Audit Committee for oversight of certain areas of risk management. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls, and discusses with management and the Company's independent registered public accounting firm our policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance, and advises the internal audit function as to overall risk assessment of the Company. The Board believes that this approach, supported by the separation of our senior leadership, provides appropriate checks and balances against undue risk-taking.

"Controlled Company" Status

The Company is a "controlled company" as defined in NASDAQ Rule 5615(c)(2) because VSS-Cambium Holdings III, LLC holds more than 50% of the Company's voting power. As a "controlled company," the Company is not required to have a majority of its Board comprised of independent directors, a compensation committee comprised solely of independent directors or a nominating committee comprised solely of independent directors.

Committees of the Board

Overview. Our Board has two standing committees: the Audit Committee and the Compensation Committee. The Board may, from time to time, establish other committees to facilitate the management of the

Company or for any other functions it may deem necessary or appropriate. The Board may also create various *ad hoc* committees for special purposes. Committee membership will be decided by the Board members. The membership during the last fiscal year and the function of the Audit and Compensation Committees are described below.

Audit Committee. The current members of the Audit Committee are Thomas Kalinske (Chairman), Walter G. Bumphus, and Harold O. Levy. The Board has determined that each member of the Audit Committee meets the independence and financial literacy requirements of the NASDAQ rules and the independence requirements of the SEC. Mr. Kalinske, by virtue of his financial and investment experience gained as CEO of Knowledge Universe, Sega of America, Matchbox, Inc. and Mattel and through serving on other boards of directors, has been designated as the Audit Committee financial expert within the meaning of rules and regulations of the SEC.

The Audit Committee oversees the Company's accounting and financial reporting processes and the audits of its financial statements. In this role, the Audit Committee monitors and oversees the integrity of the Company's financial statements and related disclosures, the qualifications, independence, and performance of the Company's independent registered public accounting firm, and the Company's compliance with applicable legal requirements and its business conduct policies. The Audit Committee has authority to retain outside legal, accounting or other advisors as it deems necessary to carry out its duties and to require the Company to pay for such expenditures. The Audit Committee has a written charter, which was adopted by our Board in December 2009, a copy of which can be found on our website at www.cambiumlearning.com. The information on our website is not a part of this Proxy Statement. During 2014, the Audit Committee held seven meetings and took action by written consent on one occasion. The report of the Audit Committee appears on page 13 of this Proxy Statement.

Compensation Committee. The Company is not required to have a Compensation Committee due to its status as a controlled company. Nevertheless, the Board created the Compensation Committee, which operates under a written charter, the primary purpose of which is to:

- review and approve the compensation and benefits of our executive officers and key employees;
- monitor and review our compensation and benefit plans;
- administer our stock and other incentive compensation plans and programs and prepare recommendations and periodic reports to the Board of Directors concerning such matters;
- prepare recommendations and periodic reports to the Board as appropriate; and
- handle such other matters that are specifically delegated to the Compensation Committee by our Board from time to time.

Messrs. Stevenson and Levy serve on the Compensation Committee, and Mr. Levy serves as the Chairman. Our Board of Directors has affirmatively determined that Mr. Levy meets the definition of "outside director" for the purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, and the definition of a "non-employee director" for the purposes of Section 16 of the Exchange Act and is an independent Director under NASDAQ rules.

Although Mr. Stevenson is not an independent director under NASDAQ rules or the independence criteria of the SEC, NASDAQ rules permit one director who is not independent and is not a current officer or employee to be appointed to the compensation committee if the Board determines that such individual's membership on the committee is required by the best interest of the Company and the stockholders, and such individual does not serve longer than two years. The Board believes Mr. Stevenson's membership is in the best interests of the Company and the stockholders because his vast experience and service on the boards of directors of numerous companies provides the Compensation Committee with access to information regarding business practices and strategies across several industries. Mr. Bainbridge served on the Compensation Committee prior to Mr. Stevenson and his tenure on the Compensation Committee was completed on March 11, 2014 at which time the Board appointed Mr. Stevenson.

None of our executive officers serve on the compensation committee or board of directors of any other company of which any of the members of our Compensation Committee or any of our Directors is an executive officer.

Board and Committee Meetings

The Board held six meetings during 2014 and took action by written consent on one occasion. Each director attended at least 75 percent of the aggregate number of all meetings of the Board and of the committees of the Board on which he served that were held during 2014.

Director Attendance at Stockholders' Meetings

We do not maintain a formal policy regarding director attendance at our annual stockholders' meetings. The directors of the Company are encouraged to attend the Company's annual stockholders' meetings, and we expect that, absent compelling circumstances, our directors will attend our annual stockholders' meetings in person or by telephone. Each of our directors attended the Company's 2014 Annual Meeting of Stockholders, which was held on May 21, 2014.

Director Nomination Process

Nominations. Our Board does not currently have a nominating committee or other committee performing a similar function, nor do we have any formal written policies outlining the factors and process relating to the selection of nominees for consideration for Board membership by the full Board and the stockholders. As previously discussed, we are considered a "controlled company" under NASDAQ Rule 5615(c)(2) and therefore are not required to have a nominating committee or to have a majority of our independent members recommend qualified nominees for consideration by the Board. The Board as a whole performs the functions that would typically be performed by a nominating committee.

Our Board believes that it is appropriate for us to not have a nominating committee because, in light of VSS-Cambium Holdings III, LLC's control of more than 50% of our voting power, it does not believe that a nominating committee would serve a meaningful purpose. Since there is no nominating committee, the Board does not have a nominating committee charter.

Director Qualifications. While our Board has not established specific minimum qualifications for director candidates, the candidates for Board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with our code of business conduct and ethics. While our Board has not formalized specific minimum qualifications that it believes must be met by a candidate in order for such candidate to be recommended by the Board, the Board believes that candidates and nominees must reflect a Board that is comprised of directors who (i) have broad and relevant experience, (ii) are of high integrity, (iii) have qualifications that will increase overall Board effectiveness and enhance long-term stockholder value, and (iv) meet other requirements as may be required by applicable rules, such as independence, financial literacy or financial expertise with respect to Audit Committee members.

Nomination of Director Candidates: Stockholders may propose director candidates for consideration by our Board as well as nominate a director for election at our annual meeting. For more information please review the information provided in the question "What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?" on Page 4 of this Proxy Statement.

Identifying and Evaluating Director Nominees. Typically, new candidates for nomination to the Board are suggested by our directors or our executive officers, although candidates may initially come to our attention through professional search firms, stockholders or other persons. The Board carefully reviews the qualifications of any candidates who have been properly brought to its attention. Such a review may, in the Board's discretion, include a review solely of information provided to the Board or may also include discussion with persons familiar with the candidate, an interview with the candidate or other actions that the Board deems proper. The Board will consider the suitability of each candidate, including the current members of the Board, in light of the

current size and composition of the Board. In evaluating the qualifications of the candidates, the Board considers many factors, including, without limitation, issues of character, judgment, independence, expertise, diversity of experience, length of service, and other commitments. The Board evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the Board using the same criteria as other candidates.

Director Compensation

Our current Board compensation program is as follows:

Non-Employee Directors. A “*Non-Employee Director*” is any director who is neither an employee of the Company or any subsidiary of the Company, nor an Affiliated Director (as defined below). Each Non-Employee Director is entitled to (i) an annual retainer of \$35,000, payable in cash (pro-rated for partial year service); and (ii) an annual award of restricted common stock of the Company valued at approximately \$30,000, using the then-current stock price. The restrictions on the common stock award will lapse on the one year-anniversary of the grant date or upon a change in control of the Company. The common stock awards will be made under, and will be subject to, the Company’s 2009 Equity Incentive Plan (the “*Equity Incentive Plan*”). In 2014, our Non-Employee Directors were Walter G. Bumphus, Clifford K. Chiu, Thomas Kalinske, and Harold O. Levy. For 2013 and 2014, the Board elected to convert each Non-Employee Director’s annual award of restricted stock to a cash payment equal to \$30,000.

Affiliated Directors. “*Affiliated Directors*” are directors who are employed by VSS. Each Affiliated Director is entitled to an annual retainer of \$65,000, payable in cash (pro-rated for partial year service), in lieu of any annual equity compensation. The compensation payable to Affiliated Directors is required to be paid directly to VSS and not to the Affiliated Directors. In 2014, our Affiliated Directors were David F. Bainbridge and Jeffrey T. Stevenson.

Employee Directors. An “*Employee Director*” is any director who is a current officer or employee of the Company or any subsidiary of the Company. Employee Directors do not receive any additional compensation for their service as members of either the Board or any committees of the Board. In 2014, our Employee Directors were John Campbell and Joe Walsh.

All directors are entitled to reimbursement for travel and lodging and other reasonable out-of-pocket expenses incurred by them in connection with their attendance at Board and/or Board committee meetings.

Committee Member Compensation. In addition to any other applicable compensation payable under the director compensation program outlined above, members of the Audit Committee of the Board are entitled to receive an additional annual cash retainer of \$7,000 and the Chairman of the Audit Committee is entitled to receive an additional annual cash retainer of \$10,000. Non-Affiliated members of the Compensation Committee are entitled to receive an annual cash retainer equal to \$2,000, and the Chairman of the Compensation Committee is entitled to receive an annual cash retainer equal to \$5,000.

The table below sets forth the total compensation received by our Non-Employee Directors and Affiliated Directors in 2014.

Our Board’s policy, as set forth in the Audit Committee’s charter, is that all transactions with related persons, as contemplated by Item 404(a) of Regulation S-K under the Securities Act of 1933, as amended (the “*Securities Act*”), are subject to review and approval by our Audit Committee.

Transactions with Related Persons

- a fee equal to 1% of the gross proceeds of any debt or equity financing by the Company; and
- a fee equal to 1% of the enterprise value of any entities acquired or disposed of by the Company.

In March 2013, the Board approved an amendment to the consulting fee agreement that pays VSS an additional \$70,000 per year for its oversight and assistance it provides the Company in a number of financial and operational areas. These obligations will remain in effect until the date on which VSS no longer has any employees serving on the Board, VSS-Cambium Holdings III, LLC or funds managed by VSS cease to beneficially own at least 10% of the outstanding common stock of the Company, or in the event the Company’s Audit Committee declines to renew the consulting fee agreement on or before January 1, 2017.

The Audit Committee of the Board of Directors is currently comprised solely of independent directors meeting the requirements of applicable rules of the SEC and of the NASDAQ Capital Market. All members of the Audit Committee were appointed by the Board of Directors. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. As more fully described in the charter, the purpose of the Audit Committee is to provide general oversight of the Company's financial reporting, integrity of financial statements, internal controls and internal audit functions.

The Audit Committee monitors the Company's external audit process, including the scope, fees, auditor independence matters and the extent to which the Company's independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee has responsibility for the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of the Company's financial, accounting and internal controls over financial reporting. In addition, the Audit Committee generally oversees the Company's internal compliance programs. The Audit Committee members are not all professional accountants or auditors, and their function is not intended to duplicate or to certify the activities of management and the independent registered public accounting firm.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with applicable accounting standards, laws and regulations. The Company's independent registered public accounting firm, Whitley Penn LLP, is responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and expressing an opinion in its report on those financial statements.

The Audit Committee provides oversight, advice, counsel and direction to management and the independent registered public accounting firm on matters for which it is responsible based on the information it receives from management and the independent registered public accounting firm and the experience of its members in business, financial and accounting matters.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2014, and met with both management and Whitley Penn LLP to discuss those financial statements and Whitley Penn LLP's related opinion. Management and the independent registered public accounting firm have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee has discussed with Whitley Penn LLP the matters required to be discussed by PCAOB Auditing Standard No. 16, *Communications with Audit Committees*.

The Audit Committee has also received and reviewed the written disclosures and the letter from Whitley Penn LLP required by applicable requirements of the PCAOB regarding Whitley Penn LLP's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn LLP its independence.

Based on its review and the meetings, discussions and reports described above, and subject to the limitations of its role and responsibilities referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company for the fiscal year ended December 31, 2014, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 to be filed with the SEC.

ANNUAL REPORT

We will provide, without charge, a copy of our 2014 Annual Report on Form 10-K, including the financial statements contained therein, as filed with the SEC, upon written request from any person or entity that was a holder of record, or who represents in good faith that such person or entity was a beneficial owner, of our common stock as of March 30, 2015. We will also furnish a requesting stockholder with any exhibit not contained in our 2014 Annual Report on Form 10-K upon specific request. Any such requests should be addressed to our Secretary at Cambium Learning Group, Inc., 17855 Dallas Parkway, Suite 400, Dallas, Texas 75287.

"HOUSEHOLDING" OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by

delivering a single notice or set of proxy materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies.

Some banks, brokers and other nominees may be participating in the practice of householding, and will therefore send a single Notice or set of proxy materials to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or other nominee that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive separate proxy solicitation materials, or if you are receiving multiple copies of the proxy solicitation materials and wish to receive only one, please notify your broker if your shares are held in a brokerage account or notify us if you are the record owner of your shares. You can notify us by sending a written request to the attention of our Secretary at Cambium Learning Group, Inc., 17855 Dallas Parkway, Suite 400, Dallas, Texas 75287, or call us at (888) 399-1995. In addition, if you are a stockholder as of the Record Date, we will deliver a separate copy of the Notice or proxy materials to you if you contact us at the above address or telephone number.

OTHER MATTERS

We are not aware of any other business to be presented at the Annual Meeting. As of the date of this Proxy Statement, no stockholder had advised us of the intent to present any business at the Annual Meeting. Accordingly, the only business that our Board intends to present at the meeting is as set forth in this Proxy Statement.

If any other matter or matters are properly brought before the Annual Meeting, the proxies will use their discretion to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors,

J. Scott McWhorter
Secretary and Counsel
